Division of Liquor Control Supplemental Price Changes – November 2015

The table below provides a supplemental list of brand codes for items that have changed prices for November. These were not reflected in the original price file.

Agents need to upload the new November price file that was generated today. Please reference the price bulletin if you prefer to update your registers manually with the correct prices. Shelf tags can be printed from the Agency Portal.

If you have any questions or need assistance, please contact the Liquor Control helpdesk at 877-812-0013.

Thank you.
